## LE MOT DU MAIRE

« My Dear Fellow Citizens,

We live both in the anguish of a world that is going wrong and in the hope of a world that will combine the best of progress while respecting Man and nature.

Also, I sincerely hope that this new year will see men finally become more reasonable and less egocentric so that, in this currently chaotic world, there is hope for lasting peace and serenity can finally emerge.

The Municipal council and Municipal employees join with me to wish you and your families health and happiness for 2024.

## LA VIE DE LA COMMUNE EN 2023

Le repas des Aînés this year brought together 84 guests on Sunday April 23, 2023 and was very much appreciated and enjoyed by all. It was a very friendly event.

Two hiking trails have been created on Charmé. The hiking map is attached on page 7.

In August, excavations by archaeologists resumed in the town. An explanatory panel on the Neolithic enclosures was installed in the stadium parking lot.

Following the supplementary elections for the Municipal Council, four new councilors have were elected on October 1, 2023 in the first round.

Like every year, residents gathered at the war memorial next to church, May 8 and November 11. A friendly drink at the Mairie closed these commemorations.

A citizens' café was held on Saturday, December 30 in the morning in front of the post office by the elected officials of the community, to meet residents, to share a moment in all simplicity. Given its success, this event will be repeated once a quarter.

Cocotte's Get Together": Charmé board games club

"The year 2023 is coming to an end, our meeting place located at the town hall continued its sessions on Friday afternoon from 3 p.m. to 5:30 p.m. We always meet with great pleasure in a friendly spirit.

It's a place where everyone does what they want: games, reading, discussions, etc.

A snack is served, all for the modest sum of €2 per session per session and per person.

It is open to all, you will be warmly welcomed.

Hoping to see many of you come and join us in 2024! »

Pascal ROUX

## TOUS CITOYENS !

### **Caring neighbours :**

Feeling safe, thanks to the power of solidarity and the kindness of everyone!

Each of us play a crucial role in protecting those around us and our village.

Let's look out for each other!

### **Tree pruning – hedge trimming – leaves that fall on public property:**

Residents must prune trees, shrubs or hedges along the edges of public or private roads, so that they do not obstruct the passage of pedestrians, vehicles, do not hide traffic lights and signs. The branches must not touch EDF, France Telecom overhead wires and conductors and public lighting.

Pruning tree branches may be enforced by concern for personal safety

For all those who use a public, municipal or departmental road. Also, the mayors are perfectly justified, under their police power, in enforcing property owners to carry out the pruning of plantations bordering a public road.

Everyone must also collect leaves from their trees that have fallen on public property.

We are counting on you !

### **Shredding of branches proposed by the town hall:**

Following the purchase of a crusher this year, the town hall will propose a calendar for 2024 for the crushing of branches from local residents interested in this action. It will be possible to recover The shavings from these for your garden.

**Blood Donation:**

Donating blood changes the lives of a million patients each year in France. So it is worth it, don't you think?

## THE LIFE IN OUR SCHOOL

« This year, we are finding out about water and we are setting out to discover this precious resource. To help us, Florian, our facilitator, will come to see us 4 times a year. During The first session, we went in search of water around the school. »

Caroline FORTUNE

Municipal employees this year have surpassed themselves again to decorate the canteen HALLOWEEN and the party room for CHRISTMAS, for the children's enjoyment!

CHRISTMAS meal for children took place on Friday 22 December with all the joy and the magic of Christmas ! A big thank you to the whole municipal team!

## LA VIE DES ASSOCIATIONS

### LES CROQ' SENTIERS

Our association "Les Croq'Sentiers de CHARMÉ", created in November 2005, still aspires to organize hiking and cultural hikes, in a friendly and sporting spirit.

This year, the number has increased to 40, a small club of dedicated walkers!

Come and join us, you will be very welcome!

Our highlights from last year:

**March 8, 2023:** let's celebrate 103 years with joy for our dear SIMONE, who is still happy to take part on the Hiking-health trails!

**On May 1, 2023,** the traditional "Brin d'Aillet" hike at CHARMÉ was able to take place in pleasant weather. Nearly 25 Croq'Sentiers, out of a total of around sixty walkers, participated in this demonstration, led as always by Dédée and Daniel LENNE.

Nearly 90 guests enjoyed crudités, grillon and omelettes, at the brin d'Aillet meal!

Congratulations and special thanks to the Comité des Fêtes of CHARMÉ for all the work provided ensuring the success of this day.

**From June 3 to 10, 2023:** Stay over in Forges-les-Eaux in Seine-Maritime: L'Ecrin Normand

20 walkers were able to take advantage of this get away week. Discovery of the Normandy countryside!

Wooded countryside, superb forests, small listed villages and all in bloom! Wonderful views over of the Pays de BRAY.

Beautiful hikes!

**From September 20 to 22, 2023:** Visitto FOULEROT –Ile d'OLERON (in the AUNAC-MANSLE family home / rental possible if you are interested.)

21 walkers took part in grey, threatening weather. We managed outings anyway between two episodes of rain!!!The evening board games were particularly lively! As always a very friendly short stay with accommodation.

**October 21, 2023:** Pink October - Demonstration in support of the fight against breast cancer Les Croq'Sentiers organized two hikes (of 12 or 6 km always traced by Dédée and Daniel LENNE). The rain must have discouraged many volunteers!

Still 41 participants turned up! And thanks to the coming together of all the CHARMÉ associations, the menu for the meal was important and a nice cheque for more than €1,000.00 was given to the departmental delegation for research into breast cancer.

## ➔ Invitation to take part in walking

- Rando-Santé (Healthy) outings: every Tuesday from 2 p.m. (Or 9am if it's too hot)

Rando-Santé is another way of hiking: "less far, less quickly and for less time"

This gentle walk is a way to break the loneliness and sedentary lifestyle. It responds to aging hikers, it helps to overcome health accidents or chronic pathologies.

For people in treatment, hiking can be part of the arsenal therapeutic.

To walk, a medical certificate of no contraindication to the practice of hiking must be provided.

To see... two trial sessions before registration are possible. Then the insurance license at the FFRP and club membership will be mandatory.

It is simply recommended that you have good shoes, a bottle of water, your medication and we inform them of your risk of discomfort.

Walking, thanks to Rando-Santé, is accessible to all, and should remain a pleasure for everyone.

Those who are not as strong are stimulated by the fitter, and the latter, the fastest, feel the benefits of accompanying the slowest.

If you think these outings could be what you need, **you can contact Raymond BOUTANT on 06.72.60.10.29**

- **Saturdays:** all day,

or only in the morning for approximately 12 km

or only in the afternoon for 8-10 km.

(In July and August: hikes only in the morning with always a nice picnic, for those who can)

- **Wednesday afternoon, every 2 weeks**

We would happily welcome more CHARMÉ walkers.

Our pace is regular (around 4 km per hour) and we don't leave anyone on the way!

Saturday: a coffee break halfway through the morning refreshes us... Picnic at noon for those who can, sheltered during the cold season. Possibility of hiking either in the morning or in the afternoon (shorter circuit) or all day for the more athletic. A detailed program is drawn up each quarter.

We hope to see you soon on our beautiful Charentais paths! »

Raymond BOUTANT (Président) et Bernadette sa secrétaire

The comité des fêtes has had a busy year!

We started with the Brin d'Aillet. The sun graced us with its presence and there was a good turnout. The flea market was not very busy due to the high temperatures, Fingers crossed for good weather this year.

Unfortunately, due to rain, the "Hangi" meal was cancelled.

There is a new horse racing weekend in Luxé which will affect our "Hangi." Due to a conflict of dates, we will therefore have to move the "Hangi" from the first to the second weekend of August.

The annual picnic took place in the shade of trees in the woods of Marcel. If you did not participate this year, we look forward to seeing you next year.

We had the honor of organizing, with the help of "Croq'Sentiers", the hunting society and committee animation "Charmé-Baustert", the fund raiser for Pink October, which reported the sum of €1,030.58.

The walk and the meal were well attended and we all had a pleasant afternoon!

This year we have started what we hope will become an annual tradition, the making of decorations Christmas to decorate the village.

## COMITE D'ANIMATION CHARMÉ - BAUSTERT

During this year 2023, we held several events but the highlight was the welcome

In order to perfect the welcome of our friends, members of the team made a splendid mobile refreshment bar. Thank you to everyone who participated!

On Saturday June 10, we had the pleasure of welcoming the Apostles of Villéjésus for a superb representation of their play "Allez on dance ". It was a very pleasant and friendly event.

On Saturday July 1, the barbecue took place at the Henri Guillet stadium. The team of volunteers spared no effort to satisfy the visitor's taste buds.

From Thursday July 27 to Monday July 31, a delegation from Baustert came to visit us.

We met up with our visitors taking them to Tusson for a first welcome stop. Then, we headed to Charmé's salle des fêtes with an aperitif offered by the municipality which allowed everyone to get to know each other. The afternoon was spent quietly before the sports evening. Two teams a great mixture of nationalities and ages. It was a great friendly match.

Friday afternoon, there was a visit to the Martel house in Cognac. A guided tour, followed by a tasting, allowed us to discover the world of cognac.

A well-deserved rest was enjoyed on Saturday, with each family planning their own activities. A party was organized on the church square, hosted by a folk group. A party atmosphere was enjoyed all evening!

On Sunday, Sunday mass took place in Charmé. A Charmesian choir took advantage of the acoustics of the church to accompany the ceremony with beautiful songs. The day continued at the stadium in good humor and conversation. The visit allows the bonds which unite us to be strengthened. The next official get together will take place in 2025, in Baustert.

The whole team presents its best wishes for the coming year.

A meeting in early 2024 will discuss plans for the committee's next events.

Bernadette MOREAU (Présidente)

## SOCIÉTÉ DE CHASSE

As during non-COVID years, the hunting company has organized its wild boar meal on the spit in July.

This year 2023 saw the organization of a hounds hunt to wild boars on December 16. This demonstration was made with the crew and horses of Bois l'Abbé, corps of hunting. A meal was subsequently held in the Charmé salle de fêtes.

For the year 2024, in the month of February, a hare hunt is planned.

Then, our usual meal at month of July. The precise dates remain to be determined. The hunting society thanks the municipality for the provision of its premises for our events.

## APE DES P'TITS LOUPS

Throughout the school year, the APE organizes events to help finance activities, educational outings, trips schools for the RPI schools, Courcôme-La Faye-Charmé.

October 2023: Sale of flowers or bulbs

November 2023: Toy market - Sale of Christmas chocolates

December 2023: Christmas tree sale

Upcoming events in 2024:

Sunday April 7, 2024: The Trail of the P'tits Loups

April: Sale of Easter chocolates

May 8, 2024: Plant swaps in La Faye

June 2024: School fair

Three times a year, sale of BIJOU madeleines. These events are held every year.

Our biggest event and organization is the Trail which generates a lot of interest (400 runners/walkers turned up for the 2023 event). We always hope for more in the years to come. We are supported for each event by around thirty sponsors and this year 2024, we are registered for the departmental challenge.

We also need volunteers to help on the day as signalmen on the different routes ( this requires a lot of people), volunteers at the supply level and volunteers at the check-in of papers and bib collection in the morning.

The different routes of the Trail are in the “Couradeaux” woods and the wooded massif of Courcôme, Charmé, Tuzie and Salle.

This year, there will also be a route that will pass through La Faye.

Included in the programme: Hiking, Trail of different distances, Canicross and Trail for children.

## ***SPECIAL THOUGHTS FOR THOSE ELECTED OFFICIALS WE HAVE LOST***

This year 2023 was particularly marked by the loss of elected officials dear to our municipality.

Tuesday January 3, a large crowd attended, in Aigre, the funeral of Mr. Jean MOREAU, dean of our commune and Mayor of Charmé from 1959 to 1983. Four terms managing our community, with constant concern for the well-being of its citizens. An influence that has often exceeded the limits of our locality and even those of our department. He is one of the living memories of our village which has passed away.

Tuesday July 4, Frédéric BARBARIT, second deputy, left us suddenly, much too young and far too early, at the age of 50, plunging our municipal team into great disarray.

An attentive and measured person, he embodied wisdom despite his relative young age and he leaves a big void within our team.

Tuesday, November 7, we accompanied Madame Yvette CLERGEAU, Mayor of Charmé from 1989 to 2014, to her final resting place. Twenty-five years in office, significant achievements and a constant presence with her constituents for someone who above all loved contact with people. Between Yvette and her commune of Charmé, it was truly a great love story.

Charmé will not forget them !
